urge for working toward the benefits of all the people of Burma**

No. 7/2009 (ABMA+88+ABFSU)

Date: November 19, 2009

1. As of the letter by Daw Aung San Suu Kyi to Sr. Gen Than Shwe dated on November 11, 2009 and the NLD's recent statement, it is learnt that Daw Aung San Suu Kyi and the NLD have a strong political will to work for national reconciliation and are willing to cooperate with the State Peace and Development Council (SPDC) in working together for the benefit of the country. In this regard, we see that her requests for necessary arrangements to have a meeting with members of the NLD Central Executive Committee and a meeting with Sr. Gen Than Shwe are reasonable, meaningful and constructive.
2. US President Barack Obama during his tour to Asia said "We support Burma that is unified, peaceful, prosperous, and democratic. And as Burma moves in that direction, a better relationship with the United States is possible." It is thus obvious that, in order to have the sanctions on Burma lifted, the responsibility rests mainly on the SPDC.
3. We urge Sr. Gen Than Shwe to move towards a positive change in the benefit of the country and of all the people as the calls by Daw Aung San Suu Kyi and US President Obama representing the people of Burma and international community for cooperation through constructive approaches towards change. We would like to suggest that by doing so, it will be beneficial not only to the country and the people, but also for the dignity of the armed forces (*Tatmadan*) and thus, Sr. Gen Than Shwe should take this opportunity.
4. We shall continue to work together with all democratic forces to accomplish the realization of *Shwe-Gone-Taing* Declaration since we believe that it is a pragmatic and dignified political guidance for the people. Likewise, we urge the NLD to firmly stand with its *Shwe-Gone-Taing* Declaration and work together with the people, and not to overlook the will of the people and their trust given at the 1990 Elections.
